MEMORANDUM FOR THE RECORD

Morning Meeting of 17 May 1968

Godfrey drew attention to a report that the VC sapper units are inside Hue.

DD/S&T noted that a U-2 [ ] is scheduled for

[ ]

DD/S&T reported that an SR-71 flamed out last night after making one pass.

The Director briefed on the disposition of the OXCART and asked Maury to ensure that word is passed to Senators Russell, Stennis, and Milton Young and Congressmen Rivers and Bates.
